For immediate release

ANTHONY JOSHUA VS JOSHEPH PARKER Fight LIVE & EXCLUSIVE ON FIJI ONE

12th March, 2018 Suva, Fiji – Fiji Television Limited wishes to announce that it has signed an exclusive agreement with Duco Events to air the fight between Anthony Joshua Vs Joseph Parker Live and Exclusive on Fiji One.

The event is scheduled to take place on 1st April 2018 at Principality Stadium in Cardiff, Wales, with Joshua's IBF, WBA (Super) and IBO heavyweight titles and Parker's WBO heavyweight title on the line.

Joshua is a renowned entity in world sports because he has been involved in thrilling fights. The popular British boxer laughed off an in-ring riot to flatten old amateur rival Dillian Whyte with a crushing right uppercut in 2015, got off the canvas to knock out former long-reigning heavyweight champion Wladimir Klitschko in 2017, and almost had his nose split in half when Carlos Takam head butted him in his most recent outing last October.

Parker, like Joshua, is an unbeaten heavyweight. The 26-year-old won his WBO heavyweight world title with a decision win over Andy Ruiz Jr in 2016 and has successfully defended the belt twice, including a slim points win over Tyson Fury's cousin, Hughie Fury, last September.

Anthony Joshua and Joseph Parker will both put their heavyweight world title belts on the line in the first major boxing bout of 2018.

Fiji TV's Chief Executive Officer Karen Lobendahn said, "We are very thrilled to be able to bring to our viewers LIVE coverage of another mega fight FREE on our channel!"

"Always something good to come home to"
