**For Immediate Release**

**5<sup>th</sup> September 2018**

**FHL Tower – Ground Breaking Ceremony.**

The board and Management of Fijian Holdings Limited and FHL Properties Limited wishes to advise its stakeholders that preliminary work on the site of the 17 story FHL Tower is expected to commence on the 10<sup>th</sup> of September 2018 with the ground breaking ceremony marked later during the month of September 2018.

All construction works is expected to be completed by 2021. Once Completed FHL Tower will be an iconic addition to the city of Suva providing premium tenancy experience to the greater business community.

Group CEO, Mr Nouzab Fareed said that the project is undertaken by an International Contractor and is managed by well qualified and experienced Project Managers ensuring that all the necessary OHS and public safety requirements are met during the construction period.

The FHL Tower project started in 2015 going through rigorous due diligence and planning phases before finally deciding on the design and built concept.

The building is expected to be an iconic and represent FHL – the flagship of iTaukei business.
