

### DESPATCH OF ENERGY FIJI LIMITED SHARE CERTIFICATES

Central Share Registry Limited (CSRL), a wholly owned subsidiary of the South Pacific Stock Exchange Limited (SPSE) is in charge of handling and managing the shareholders registry for Energy Fiji Limited (EFL). CSRL is also the first securities registry services provider to be established in Fiji and currently provides the share registry services to 17 out of the 20 SPSE listed companies as well as two unlisted companies in Fiji.

Through this communication, CSRL is pleased to announce that it has now successfully despatched the share certificates for all Energy Fiji Limited (EFL) customers who had subscribed for the free offer of non-voting shares in EFL.

The share certificates despatched serves as an important document for EFL customers who had subscribed for the free offer of shares that they are now also the shareholders of the company and is a legal proof of ownership of shares in EFL. In regards to the share certificates despatched, CSRL wishes to advise all EFL shareholders regarding the following important matters:

- ▶ All shareholders are requested to note that the perforated or the tear-off portion at the bottom of the share certificate does not need to be signed and/or returned to either CSRL or EFL but rather be kept by the shareholders for their own records;
- ▶ For those shareholders who witness any errors in the share certificate, in particular with their name or address are requested to contact the CSRL office for verification and correction of the errors;
- ▶ For those EFL customers who had applied for the free offer of shares during the offer period and have so far not received any share certificates are requested to contact the CSRL office.

All shareholders are also advised that once EFL becomes a listed company on SPSE, the shareholders will have a readily available platform through which they can buy and sell their shares depending on the share price prevalent at that time. Additionally, shareholders will be entitled to receive dividends as and when dividends are declared by EFL.

EFL shareholders can contact CSRL for any queries on 3313764 or [eflregistry@spse.com.fj](mailto:eflregistry@spse.com.fj) or visit our website on [www.csr.com.fj](http://www.csr.com.fj) or view our Facebook page.

Krishika Narayan  
Chief Executive Officer
