VAIWAI®

MARKET ANNOUNCEMENT

SUBJECT: PLEASS GLOBAL LIMITED COMMITTED TO COMMUNITIES IN FIJI.

Pleass Global Limited, through its premium Natural Artesian Water VaiWai®, is proud to support the wonderful work done by Rotary Pacific Water in providing water solutions to the Nataveya community in the Naitasiri province in Fiji.

More than 33 households of Nataveya village including men, women and children will see their lives change for the better. Nataveya village, situated along the Rewa River previously had a poorly maintained water system and poor standard sanitation facilities that were built 20 years ago; they had no storage tank and no water treatment which resulted in the community facing both water quantity and quality problems. Through this project the community now has access to clean and safe water and proper sanitation units with septic tanks which includes gender segregated sanitation facilities.

Today will mark the first step to improved and better living conditions for the villagers of Nataveya with the commissioning of the water and sanitation project. The special guests of honour for the day will include New Zealand Ministry of Foreign Affairs (MFAT), Rotary New Zealand World Community Services (RNZWCS) and VaiWai® Natural Artesian Water representatives. The invited guests will also include Ministry of Health, Water and Sewerage Department, Naitasiri Provincial Office, MRD, Media Organisations and RPW Chairman, board members and staff.

VaiWai® continues its commitment as platinum donor to Rotary Water Pacific. This funding will ensure that many communities across Fiji will have access to improved water supply and sanitation. Water changes lives and assists with breaking the poverty cycle and Pleass Global Limited has a corporate objective to bring water to Fiji communities that have no access to clean water and sanitation.

End of announcement.
